

BICYCLE TRAFFIC ON FREMONT BRIDGE FREMONT, SEATTLE IN 2018

Andrew McNutt

The often quarrelsome weather of famously rainy Seattle doesn't deter it's residents from making their way about the city on bicycle. Here we examine their tendencies by considering the bike traffic on Fremont Bridge: a major cycling arterial spanning the ship canal between the Queen Anne and Fremont neighborhoods. Seattleites ride in all weathers, but tend to be somewhat bothered by season.
